States that it is considered desirable that the bits of roads leading to Gavi mutt Mysore are maintained by the City Municipality and that all charges in respect thereof met from the Municipal funds and requests that necessary orders may be issued in the matter

21) Send for perusal with reference to para 18 supra

22) The Chief Engr. who was in this office letter M/14/50 asked to report whether any order has been issued for the four lights already installed on the new road from Gavi mutt to the foot of Chamundi Hills, does not say anything about it — From the copy of the letter of 20.4.51 addressed by the Superintg Engr, Cauvery circle addressed to the Chief Engrs it is seen that instructions were issued from his office for the installation of electric

23) It is also stated that five more
overhead lights are now to be installed
as per Hon Law Minister's instructions
against six previously mentioned

24) The two approach roads are said
to be within the Mysore city Municipal
limits and therefore the Chief Engr desires
that the roads will have to be maintained
by the Municipality only

25) The Secretary, L S G may perhaps be
consulted in the matter

26) Since both the approach roads lie

NOTE

Dated 6th November 1949

While at Mysore, I paid a visit to the Sri Gavi Mutt on the 1st instant This is situated at the foot of the Chamundi Hill on the side of Mysore-Nanjangud road This is a very important mutt and many devotees and high personages visit this mutt The devotees represented to me that the approach road to this mutt was in a bad condition and that they found it difficult to visit the mutt during nights as there were no lights on this road

Instructions may be issued to improve this road and to put up six lights of 60 C P each immediately As this road is outside the municipal limits, I suggest that the cost may be debited to "12 General Administration" It will not be much while it will give satisfaction to large numbers of devotees

Sir,

Installation of street lights and Gopuram light for Gavi Mutt in Mysore

---

Adverting to your letter No P W 296 dated 18-4-1950 on the above subject, I have the honour to state that the Executive Engineer, Buildings Division, Mysore, has reported that the new road from Gavimutt to join the foot of the Chamundi Hills has already been formed (vide plan attached) and is in service since one and a half years

Before the Hon Minister for Law visited the Gavimutt on 1-11-1949 four lights had already been installed on this road and the royalty on these lights is Rs 80/- at Rs 20/- per light per annum and the same is proposed to be met out of the A R Grants recommended to be allotted for this road under "24 A communications - 2 Repairs Ordinary It is also reported that in addition to this new road, there is another approach road from Bangalore Nilgiri Road and this road also has been provided with four lights, the royalty for which is being paid by the Mysore City Municipality

The Executive Engineer, has further reported that as per minute of the Minister for Law and Labour, six lights of 60 C P on each road are required and as such, it is now proposed to add two lights on the road from B N Road to Gavimutt and two lights from Gavimutt to the foot of the Chamundi Hills are proposed and the royalty for the four extra lights as ascertained from the Superintendent, Mysore Power Lighting is Rs 43/- per light

Subject - Installation of street lights and Gopuram lights for Gavimutt, Mysore

Ref | With reference to P W Secretary's letter No 3601 dated 14-7-1950 on the above subject, I write to enclose herewith a copy of letter No 242 dated 20-4-1951 received from the Superintending Engineer, Cauvery Circle, which is self explanatory

As indicated in the sketch enclosed herewith, both the approach roads are now within the Mysore City Municipal limits The Superintending Engineer, Cauvery Circle, opines that it is reasonable that the roads are maintained by the Municipality It is therefore considered desirable that the bits of roads in question are maintained by the City Municipality and all charges in respect thereof met from the Municipal funds

I request that necessary orders of Government in the matter may kindly be conveyed early

Approach Road to Gavimutt, Mysore

=====

With reference to your memo number 3882-3 dated 29-7-50 I submit herewith for information copy of Mysore Building Division Executive Engineer's D O letter of 25-11-1950 together with a sketch showing the position of the two approach roads to Gavimutt and to state as follows -

(1) The approach road leading from Bangalore Nilgiri Road was opened at the cost of Government under the estimate of Rs 2,700/- as it was at that period outside the Municipal limits

(2) The approach road leading from the foot of the hills was also opened at the cost of the Government under the estimate of Rs 1,760/- treating it as a hill road

(3) It is seen that instructions were issued by this office to get electric lights installed on the two approach roads permarently under the instructions of the Minister

(4) Electric lights have been installed four on each approach road Five more overhead lights are now to be installed as per Law Minister's instructions (against six previously mentioned)

(5) For the eight lights installed, a royalty of Rs 160/- at Rs 20/- per light is stated to be lights from Bangalore Nilgiri Road side is met by the Mysore City Municipality For the extra five lights now proposed a royalty of Rs 215/- at Rs 43/- is leviable

2 As regards maintenance, it is seen from the accompanying sketch that both the approach roads are now within the Mysore City Municipal limits It is reasonable that the roads have to be maintained by the Municipality only

p t o

3 If it is decided that the roads are to be maintained by the Public Works Department the following maintenance grant may kindly be got sanctioned under "24 A Communications 1 Roads (b) Repairs treating them at par with Chamundihill Roads

(1)	Maintenance of the two bit of roads 4½ furlongs at 500/- per mile	280/-
(2)	" of all the existing 8 lights - Royalty	160/-
(3)	" New head lamps proposed - Royalty 5 at 43/-	215/-

Letter No 3207 dated 22th November 1951, from the Superintending Engineer, Cauvery Circle, Mysore, to the Chief Engineer of Mysore, Bangalore.

Subject - A R Grants to Approach Road to Gavi Mutt - Mysore.

I write to invite your kind reference to this office letter No 2175 dated 31st August 1951 on the above subject, and to request you kindly to communicate sanction of Government to the mileage grants proposed for the above road As the bills for royalty on electric lights installed on the road are received long back from the Electrical Department and the Superintendent, Power and Lighting, Mysore, has been urging payment and this road is used very frequently by the Royal Family I request the favour of early communication of sanction to the A R. Grants.
